## Wine Tasting Menu

### Cartlidge & Brown (A Napa Chardonnay)

Since the release of their first wine the 1980 Chardonnay, Cartlidge and Browne has won the hearts of consumers who appreciate premium quality wine at modest prices. \$18

### Napa Cellars (A Napa Chardonnay)

Every year the palate showcases huge fruit flavors with tropical fruit, balanced by a layer of lemony acidity and a long, polished finish. Its moderate acidity makes it a more versatile Chardonnay when pairing with food. We liked it immediately. \$24

How do these two Chardonnays compare?

### Fat Bastard (A French Rose)

Expressive and complex aromas with peach, apricot and raspberry notes. Fat and full on the palate with vibrant, lively flavors of red berries and a long, fresh finish. Perfect for summer grilling; pairs well with BBQ, fresh summer salads or soft cheeses, spicy or fried foods. \$12

### Hatcher Vineyards (Barbera from Calaveras County)

Big fruit, medium body, great with food, makes this Barbera so enjoyable. If you are a Zinfandel fan, you'll love this Barbera. Matt Hatcher and his wines are Groveland favorites! \$24

### Mark West Vineyards (A California Coastal Pinot Noir)

These folks mostly do just Pinot and again, do it well producing classic Pinot Noir in the French style. If you like Pinot Noir, there is no question that this wine will impress you. \$26
